### **Educational Facilities**

The location of educational facilities in the planning area was considered during the development of the transportation plan. No proposed facilities or improvements shall displace any school or other educational facility. The implementation of the Transportation Plan will result in positive effects on educational facilities in the planning area by providing access to a potential school.

### **Demographics**

As mandated by Title VI of the Civil Rights Act of 1964 and Executive Order 12898, the proposed actions recommended in the Comprehensive Transportation Plan have been reviewed with respect to impacts to minority and low-income populations established in the 2000 U.S. Census.
